

PRODUCT DATA SHEET

WHITE PEARL

Material: Marble

Color: White

Reference block: ME0635-16

Total slabs: 9

Total square meters: 38.52

Marble from Africa. An amazing white pearl background melts into white waves and grey areas interrupted by accent of lighter or stronger veins of different shades all together. This is a very rare pearl in the stone industry mostly appreciated in luxury projects for interior decor in all types of locations.

Avaiable material, last update at: 12-16-2025
